INDEPENDENT AUDITOR'S REPORT

To the Honorable Dennis M. Lemma,
Seminole County, Florida Sheriff
Sanford, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the Seminole County, Florida Sheriff (the "Sheriff") as of and for the fiscal year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the Sheriff's basic financial statements, as listed in the table of contents.

In our opinion, based on our audit and the report of the other auditors, the financial statements referred to above present fairly, in all material respects, the respective financial position of the Sheriffs, as of September 30, 2022, and the respective changes in financial position, and, where applicable, cash flows thereof, and the budgetary comparison for the general fund and special revenue fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Sheriff, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis-of-Matter

As described in Note 1 to the financial statements, the accompanying financial statements were prepared for the purpose of complying with Section 218.39, Florida Statutes, and Section 10.557(3), *Rules of the Auditor General for Local Governmental Entity Audits*. These financial statements are not intended to be a complete presentation of the financial position of Seminole County, Florida as of September 30, 2022, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

To the Honorable Dennis M. Lemma,
Seminole County, Florida Sheriff

INDEPENDENT AUDITOR'S REPORT
(Continued)

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Sheriff's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Sheriff 's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Sheriff 's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

To the Honorable Dennis M. Lemma,
Seminole County, Florida Sheriff

INDEPENDENT AUDITOR'S REPORT
(Concluded)

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 8, 2023, on our consideration of the Sheriff's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Sheriff's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

Year Ended September 30, 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of the more significant accounting policies used in the preparation of these financial statements.

Reporting Entity

The Seminole County, Florida Sheriff (the “Sheriff”) is a separately elected county official established pursuant to the Constitution of the State of Florida. These financial statements are not intended to be a complete presentation of the financial position of Seminole County, Florida (the “County”) as of September 30, 2022, and the changes in its financial position for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America. These financial statements are presented to comply with the requirements of Section 218.39, Florida Statutes, and Section 10.557(3), *Rules of the Auditor General for Local Governmental Entity Audits*. The Sheriff’s General Fund is combined with the Board of County Commissioners’ (the “Board”) and other constitutional officers’ general funds in the County’s Annual Comprehensive Financial Report (“ACFR”) to properly reflect the county-wide General Fund. The Special Revenue, Internal Service, and Fiduciary Funds are shown separately in the appropriate sections of the County’s ACFR.

Description of Funds

The accounting records are organized on the basis of funds and classified for reporting purposes into four basic fund types:

General Fund – The General Fund is a governmental fund used to account for all revenues and expenditures applicable to the general operations of the Sheriff. The General Fund measurement focus is based upon determination of financial position and changes in financial position (sources, uses and balances of financial resources, rather than upon net income determination).

Special Revenue Funds – The Special Revenue Funds are governmental funds used to account for all revenues and expenditures applicable to the grants, contracts, training funds, inmate welfare, extra duty detail, and HIDTA (High Intensity Drug Trafficking Areas) of the Sheriff. The measurement focus of the Special Revenue Funds is the same as the General Fund.

Internal Service Fund – The Internal Service Fund is a proprietary fund, used to account for the revenues and expenses of the Sheriff’s self-insurance benefits program. The Sheriff is self-insured for medical claims covering all employees, retirees who have elected coverage, and their eligible dependents.

**SHERIFF
SEMINOLE COUNTY, FLORIDA**

NOTES TO FINANCIAL STATEMENTS

Year Ended September 30, 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Description of Funds (Continued)

Fiduciary Funds – The Sheriff maintains Custodial Funds, which are used to account for assets held by the Sheriff as agent. Custodial Funds do not involve measurement of results of operations. A statement of fiduciary net position and a statement of changes in fiduciary net position are presented for the Custodial Funds.

Basis of Accounting and Presentation

The accounts of the Governmental Funds are maintained on the modified accrual basis. Under the modified accrual basis of accounting, expenditures are recorded at the time liabilities are incurred and revenues are recorded when received in cash or when they are considered both measurable and available and, as such, susceptible to accrual. All unexpended General Fund balances at the end of the fiscal year are refunded to the Board and deposited into the County fund, or funds, from which the payment was originally made.

The Internal Service Fund is reported using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recognized when incurred. Operating revenues and expenses consist of contributions for insurance purposes and the payments for claims and related expenses. Nonoperating revenue consists of investment income.

Custodial Funds are accounted for under the economic resources method and accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recognized when incurred. These funds are used to account for assets held by the Sheriff in a trustee capacity or as an agent for individuals, private organizations, and other governments.

Budgetary Requirements and Basis

Expenditures are controlled by appropriations in accordance with the budget requirements set forth in Section 30.49(2)(a), Florida Statutes, and Board policy. The budgeted revenues and expenditures in these financial statements reflect all amendments approved by the Sheriff and the Board. Budgetary control is required at the fund level. Total budgeted expenditures may not exceed related actual expenditures at the fund level. The budget is prepared on a basis consistent with accounting principles generally accepted in the United States of America (“GAAP”).

SEMINOLE COUNTY, FLORIDA**

NOTES TO FINANCIAL STATEMENTS

Year Ended September 30, 2022

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Capital Assets

Capital assets consist of equipment used in the Sheriff's operations and are recorded as expenditures in the General Fund at the time assets are received and a liability is incurred. These assets are capitalized at cost. Depreciation is computed using the straight-line method. Useful lives of assets range from 3-10 years. The Sheriff follows the Board's capitalization policy for reporting, which requires all capital assets acquired greater than \$5,000 be capitalized and depreciated. Donated and confiscated capital assets are recorded at fair value at the time received.

Compensated Absences

The Sheriff accrues a liability for employees' rights to receive compensation for future absences when certain conditions are met. The Sheriff is not legally required to and does not accumulate expendable, available financial resources to liquidate this obligation. The maximum accruable hours for compensated absences is 1,000.

Fund Balances

Fund balances in the Governmental Funds are reported in the following categories as of September 30, 2022:

Restricted – Includes fund balance amounts in the Special Revenue Funds that are constrained for specific purposes, which are externally imposed by third parties (grantors, contributors) or amounts constrained due to constitutional provisions or enabling legislation.

Unassigned – Includes fund balance that is spendable and that has not been restricted, committed, or assigned to a specific purpose. Excess resources of an unassigned nature are returned to the Board at year-end and, therefore, this category should always be zero.

When both restricted and unrestricted (assigned and unassigned) fund resources are available for use, it is the Sheriff's policy to generally use restricted resources first and then unrestricted resources.

Transfers

In accordance with Florida Statutes, all unexpended General Fund balances at year-end are owed to the Board. These excess fees are reported as transfers (out). Appropriations from the Board are presented as transfers in.

NOTE 2 - CASH AND INVESTMENTS

Cash

Cash consists of various demand deposit accounts. The cash deposits are held by a bank that qualifies as a public depository under the Florida Security for Public Deposits Act as required by Chapter 280, Florida Statutes, and are fully insured.

Investments

Florida Statutes 218.415, 219.075, and the Sheriff's investment policy, authorize investments in obligations of the U.S. government, its agencies and instrumentalities, repurchase agreements, and money market funds. The repurchase agreements must have a termination date of 364 days or less and be collateralized by U.S. Treasury obligations, federal agency securities, and federal instrumentality securities. The money market funds invest only in obligations of the United States, its agencies and/or instrumentalities, or repurchase agreements collateralized by obligations of the United States, its agencies and/or instrumentalities. The Sheriff had investments totaling \$10,145,528 related to self-insurance reserves at September 30, 2022.

NOTE 3 - CAPITAL ASSETS

The Sheriff's capital assets consist of vehicles, helicopters and equipment. Capital assets acquired with a value of \$5,000 or greater are recorded as capital outlay expenditures. The following is a summary of the changes related to capital assets, that had a value of \$5,000 or greater at the time of acquisition, for the fiscal year ended September 30, 2022:

	Vehicles, Helicopters, and Equipment

NOTE 4 - PENSION PLAN

Plan Description

The Sheriff's employees participate in the Florida Retirement System ("FRS"), a multiple-employer, cost-sharing, retirement system, administered by the Florida Department of Management Services. The Sheriff's employees have the option of choosing between either a Defined Contribution plan or a Defined Benefit plan. As a general rule, membership in the FRS is compulsory for all employees working in a regularly established position for a state agency, county government, district school board, state university, community college, or a participating city or special district within the State of Florida.

For financial reporting purposes, the Sheriff is deemed to be part of the primary government of the County. A liability, if any, related to the Sheriff's proportionate share of FRS retirement benefits, along with a detailed plan description, is reported in the financial statements of the County for the fiscal year ended September 30, 2022.

The Sheriff has no responsibility to FRS other than to make the periodic contributions required by State Statutes. The Florida Division of Retirement issues a publicly available financial report that includes financial statements and required supplementary information for FRS. The report may be obtained online at myfrs.com.

Funding Policy

The Sheriff's contributions to the FRS for fiscal years ended September 30, 2020, 2021, and 2022 were approximately \$14,272,531, \$15,483,855, and \$16,664,979, respectively, which were equal to the required contribution for each fiscal year.

Effective July 1, 2011, employees are required to contribute 3% towards the FRS. Employee withholdings for this purpose amounted to \$2,137,994, \$2,277,117, and \$2,287,167 for the fiscal years ended September 30, 2020, 2021, and 2022, respectively, which were equal to the required contribution for each fiscal year.

NOTE 7 - IMPLEMENTATION OF GASB STATEMENT NO. 87, *LEASES*

The Sheriff is a lessee of various noncancelable lease arrangement for building space, equipment, and vehicles. The leases qualify to be reported in accordance with Government Accounting Standards Board (“GASB”) Statement No. 87, *Leases*. The Sheriff’s leases have been provided to the County for inclusion of lease arrangements county-wide. The Sheriff’s leases will be included County-wide and the County will recognize a lease liability and an intangible right-to-use lease asset in the government-wide financial statements.

At the commencement of each lease, the lease liability will be initially measured at the present value of payments expected to be made during the lease term. Subsequently, the liability will be reduced by the principal payments made. The lease asset will be measured as the initial amount of the lease liability, adjusted for lease payments made at or before the lease commencement date, plus certain initial direct costs. Subsequently, the lease asset will be amortized on a straight-line-basis over the term of the lease.

For key estimates and judgments related to the Sheriff’s leases and how the County determined the discount rate used to discount expected lease payments to present value, the lease term and lease payments, please see the County’s ACFR for the fiscal year ended September 30, 2022.

NOTE 9 - INSURANCE PROGRAMS

On January 1, 2016, the Sheriff implemented a self-insurance program for medical insurance. The program uses a combination of self-insurance and specific and aggregate stop-loss coverage to minimize risk exposure. The Sheriff purchased a reinsurance policy for employee claims in excess of \$300,000 per occurrence.

The schedule below presents the changes in the liability for accrued claims for the past year:

Year	Balance October 1, 2021	Claims Incurred	Claims Paid	Balance September 30, 2022
2022	\$ 1,673,018	\$ 18,855,386	\$ 18,681,278	\$ 1,847,126

NOTE 10 - CONTINGENCIES AND COMMITMENTS

Various lawsuits and claims arising in the ordinary course of operations are pending against the Sheriff. The ultimate effect of such litigation cannot be ascertained at this time. In the opinion of management of the Sheriff, the liabilities that may arise from such action would not result in losses that would materially affect the financial position of the Sheriff or its changes in financial position.

The U.S. Department of Justice’s Overdose Detection Mapping Application Program (“ODMAP”) Statewide Expansion and Response Project grant has four subrecipients that will be payable over future periods. The subrecipients will provide services during the grant project period (September 1, 2019 – February 28, 2023).

The American Rescue Plan Act funding from the Board has two subrecipients that will be payable over future periods. The subrecipients will provide services during the funding period (December 16, 2021 – December 31, 2024).

The agreement was executed on December 16, 2021 and expires on December 31, 2024. All funds must be obligated by the end of the term of the agreement.

The funds are to be used by the Sheriff in order to respond to the effects of the COVID-19 public health emergency upon individuals in the Seminole County community. **INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL
OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER
MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Honorable Dennis M. Lemma,
Seminole County, Florida Sheriff
Sanford, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Seminole County, Florida Sheriff (the “Sheriff”) as of and for the fiscal year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the Sheriff’s basic financial statements and have issued our report thereon dated March 8, 2023.

Report on Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Sheriff’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Sheriff’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Sheriff’s internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Honorable Dennis M. Lemma,
Seminole County, Florida Sheriff

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Sheriff's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Pursuant to provisions of Chapter 10.550, *Rules of the Auditor General*, we reported certain matters to management of the Sheriff in a separate management letter and Independent Accountant's Report dated March 8, 2023.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
