

SCSO Arrests High School Teacher for Sexual Assault - 05/09/2013

Seminole Co. Fla.-(05/09/13)- The Seminole County Sheriff's Office (SCSO) last night arrested Scott Kimbrough, 39, of Winter Park, on three counts of sexual assault on a minor.

Lyman High School officials contacted law enforcement yesterday after they learned of possible inappropriate activity between a teacher and a 17 year-old female student. The sexual abuse is believed to have occurred over the past three months at Kimrough's Winter Park home. This was substantiated following an interview with the victim by investigators.

Kimbrough was booked into the John E. Polk Correctional Facility on a \$10,200 bond. He posted bond early this morning and is no longer in custody.

Investigators are looking into the possibility of additional victims and are asking anyone with information to call Sheriff's Office at 407 665-6650.
