Seminole Co. Fla., (06/22/12)-The Seminole County Sheriff's Office is investigating the armed robbery of an Oviedo Dunkin Donuts shop on Tuesday that may have links to another armed robbery that occurred last weekend at an Oviedo pizza restaurant.

At about 9:56 p.m. on Tuesday, a thin white male, wearing a black long-sleeved shirt, black shorts, black socks and no shoes, entered the Dunkin Donuts/Baskin Robbins located at 3635 Aloma Ave. in Oviedo, pulled a black semi-automatic handgun from his waistband, and demanded cash from the store's three cash registers. The robber used a black shirt to cover his face. The two employees complied with the suspect's demands, filling a brown bag with approximately \$1,000 in cash. They were unharmed in the robbery. The suspect fled from the scene in a black Toyota Corolla sedan with a piece of paper covering the license plate.

Five Star Pizza, located at 3059 Alafaya trail in Oviedo, was robbed at gunpoint on 06/16/12. The suspect in that case was dressed in all black and had a small semi-automatic handgun. An undetermined amount of cash was taken during that incident.

Anyone with information regarding either robbery is urged to call CrimeLine at 1-800-423-TIPS or the Seminole County Sheriff's Office at 407-665-6650
