Elderly Distraction Thefts PC Exists

CAU08014A

On 02/06/08, an 80 year old female was taking in her groceries at 239 NE 10 St when she was approached by 2 Hispanic or Middle Eastern males in their 20's, both wearing tan shirts and blue latex gloves. The subjects said they had been working on water pipes in the area and needed to check her water pressure. When the subjects left the residence, the victim was missing \$600 cash. A neighbor saw the subjects and felt they were suspicious so he obtained the tag from their vehicle. The subjects were driving a 2002 white Ford F-150 (J403HE). The tag comes back to Ephraim Eli. The victim positively identified Ephraim as well as his brother, Kevin.

There is active PC for both suspects.
