INDEPENDENT AUDITOR'S REPORT

To the Honorable Dennis M. Lemma, Seminole County, Florida Sheriff Sanford, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the Seminole County, Florida Sheriff (the "Sheriff") as of and for the year ended September 30, 2017, and the related notes to the financial statements, which collectively comprise the Sheriff's basic financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States and Chapter 10.550, *Rules of the Auditor General*. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Sheriff's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Sheriff's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to in the first paragraph present fairly, in all material respects, the respective financial position of the Sheriff as of September 30, 2017, and the respective changes in financial position and cash flows, where applicable, and the budgetary comparison for the general fund for the fiscal year then ended in conformity with accounting principles generally accepted in the United States of America.

To the Honorable Dennis M. Lemma, Seminole County, Florida Sheriff

INDEPENDENT AUDITOR'S REPORT (Concluded)

Emphasis-of-Matter

As described in Note 1 to the financial statements, the accompanying financial statements were prepared for the purpose of complying with Section 218.39, Florida Statutes, and Section 10.557(3), *Rules of the Auditor General for Local Governmental Entity Audits*. These financial statements are not intended to be a complete presentation of the financial position of Seminole County, Florida as of September 30, 2017, and the changes in its financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America. Our opinion is not modified with respect to this matter.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 23, 2018, on our consideration of the Sheriff's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Sheriff's internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

Year Ended September 30, 2017

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The following is a summary of the more significant accounting policies used in the preparation of these financial statements.

Reporting Entity

The Seminole County, Florida Sheriff (the "Sheriff") is a separately elected county official established pursuant to the Constitution of the State of Florida. These financial statements are not intended to be a complete presentation of the financial position of Seminole County, Florida as of September 30, 2017, and the changes in its financial position for the year then ended in conformity with accounting principles generally accepted in the United States of America. These financial statements are presented to comply with the requirements of Section 218.39, Florida Statutes, and Section 10.557(3), *Rules of the Auditor General for Local Governmental Entity Audits*. The Sheriff's General Fund is combined with the Board of County Commissioners' (the "Board") and other constitutional officers' general funds in the Seminole County, Florida Comprehensive Annual Financial Report ("CAFR") to properly reflect the county-wide General Fund. The Special Revenue, Internal Service, and Fiduciary Funds are shown separately in the appropriate sections of the CAFR.

Description of Funds

The accounting records are organized on the basis of funds and classified for reporting purposes into four basic fund types:

<u>General Fund</u> – The General Fund is a governmental fund used to account for all revenues and expenditures applicable to the general operations of the Sheriff. The General Fund measurement focus is based upon determination of financial position and changes in financial position (sources, uses and balances of financial resources, rather than upon net income determination).

<u>Special Revenue Fund</u> – The Special Revenue Fund is a governmental fund used to account for all revenues and expenditures applicable to the grants, federal and state forfeiture, training funds and inmate welfare of the Sheriff. The Special Revenue Fund measurement focus is the same as the General Fund.

<u>Internal Service Fund</u> – The Insurance Fund is a proprietary fund, used to account for the revenues and expenses of the Sheriff's self-insurance benefits program. The Sheriff is self-insured for medical claims covering all employees, retirees who have elected coverage, and their eligible dependents.

NOTES TO FINANCIAL STATEMENTS

Year Ended September 30, 2017

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Description of Funds (Continued)

<u>Fiduciary Fund</u> – The Sheriff maintains an Agency Fund, which is used to account for assets held by the Sheriff as agent. Agency funds are custodial in nature and do not involve measurement of results of operations. A statement of fiduciary net position is presented for the Agency Fund. However, a statement of changes in fiduciary net position is not presented since there are no operations in the Agency Fund, only assets and liabilities.

Basis of Accounting and Presentation

The accounts of the Governmental Funds are maintained on the modified accrual basis. Under the modified accrual basis of accounting, expenditures are recorded at the time liabilities are incurred and revenues are recorded when received in cash or when they are considered both measurable and available and, as such, susceptible to accrual. All unexpended General Fund balances at the end of the fiscal year are refunded to the Board of County Commissioners, and deposited into the County fund, or funds, from which the payment was originally made.

The Internal Service Fund is reported using the economic resources measurement focus and the accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenses are recognized when incurred. Operating revenues and expenses consist of contributions for insurance purposes and the payments for claims and related expenses. Nonoperating revenue consists of investment income.

Agency Funds are accounted for under the economic resources method and accrual basis of accounting. Under the accrual basis of accounting, revenues are recognized when earned and expenditures are recognized when incurred.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Budgetary Requirements and Basis

Expenditures are controlled by appropriations in accordance with the budget requirements set forth in Section 30.49(2)(a), Florida Statutes, and Board policy. The budgeted revenues and expenditures in these financial statements reflect all amendments approved by the Sheriff and the Board. Budgetary control is required at the fund level. Total budgeted expenditures may not exceed related actual expenditures at the fund level. The budget is prepared on a basis consistent with accounting principles generally accepted in the United States of America ("GAAP"), except for capital outlay expenditures and other financing sources related to the acquisition of assets through capital leases. A reconciliation of General Fund budgeted and actual expenditures and other financing sources for the fiscal year ended September 30, 2017 is as follows:

	General
	Fund
EXPENDITURES	
Budgetary basis	\$ 115,743,888
Adjustments:	
Capital leases - expenditures	1,750,000
GAAP Basis	\$ 117,493,888

Budgetary basis	\$ 115,514,773
Adjustments:	
Issuance of debt – capital leases	1,750,000
GAAP Basis	\$ 117,264,773

Capital Assets

Capital assets consist of equipment used in the Sheriff's operations and are recorded as expenditures in the General Fund at the time assets are received and a liability is incurred. These assets are capitalized at cost. Depreciation is computed using the straight-line method. Useful lives of assets ranges from 3-12 years. The Sheriff follows the Board's capitalization policy for reporting, which requires that all capital assets acquired greater than \$5,000 will be capitalized and depreciated. Donated and confiscated capital assets are recorded at fair value at the time received.

NOTES TO FINANCIAL STATEMENTS

Year Ended September 30, 2017

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Compensated Absences

The Sheriff accrues a liability for employees' rights to receive compensation for future absences when certain conditions are met. The Sheriff is not legally required to and does not accumulate expendable, available financial resources to liquidate this obligation. The maximum accruable hours for compensated absences is 960.

Fund Balances

Fund balances in the Governmental Funds are reported in the following categories as of September 30, 2017:

<u>Restricted</u> - Includes fund balance amounts in the Special Revenue Fund that are constrained for specific purposes, which are externally imposed by third parties (grantors, contributors) or amounts constrained due to constitutional provisions or enabling legislation.

<u>Unassigned</u> - Includes fund balance that is spendable and that has not been restricted, committed, or assigned to a specific purpose. Excess resources of an unassigned nature are returned to the Board at year-end and, therefore, this category should always be zero.

When both restricted and unrestricted (assigned and unassigned) fund resources are available for use, it is the Sheriff's policy to generally use restricted resources first and then unrestricted resources.

Transfers

In accordance with Florida Statutes, all unexpended General Fund balances at yearend are owed to the Board. These excess fees are reported as transfers (out). Appropriations from the Board are presented as transfers in.

NOTE 2 - CASH AND INVESTMENTS

Cash

Cash consists of various demand deposit accounts, which are insured by the Federal Deposit Insurance Corporation or are covered by the State of Florida collateral pool, a multiple financial institution pool. The Sheriff's financial institution is a qualified public depository under Chapter 280 of the Florida Statutes.

NOTES TO FINANCIAL STATEMENTS

Year Ended September 30, 2017

NOTE 2 - CASH AND INVESTMENTS (Continued)

Investments

Florida Statutes 218.415, 219.075, and the Sheriff's investment policy, authorize investments in certificates of deposit, savings accounts, repurchase agreements, the Local Government Surplus Funds Trust Fund, administered by the Florida State Board of Administration, and obligations of the U.S. Government and government agencies unconditionally guaranteed by the U.S. Government. The Sheriff had no investments at September 30, 2017.

NOTE 3 - CAPITAL ASSETS

The Sheriff's capital assets consist of vehicles and equipment. Capital assets acquired with a value of \$1,000 or greater are recorded as capital outlay expenditures. The following is a summary of the changes related to capital assets, that had a value of \$5,000 or greater at the time of acquisition, for the year ended September 30, 2017:

	Vehicles and	Vehicles and Equipment			
	Cost	Accumulated Depreciation			
Balance – October 1, 2016	\$ 29,770,251	\$ 18,618,152			
Additions Retirements	3,607,743 (747,930)	2,953,946 (622,349)			
Balance – September 30, 2017	\$ 32,630,064	\$ 20,949,749			

Capital assets and related accumulated depreciation are recorded on the governmentwide financial statements of the County. For the fiscal year ended September 30, 2017, depreciation expense of \$2,953,946 is reflected in the Seminole County CAFR in the statement of activities under public safety expenses.

NOTES TO FINANCIAL STATEMENTS

Year Ended September 30, 2017

NOTE 4 - PENSION PLAN

Plan Description

The Sheriff's employees participate in the Florida Retirement System ("FRS"), a multiple-employer, cost-sharing, retirement system, administered by the Florida Department of Management Services. The Sheriff's employees have the option of choosing between either a Defined Contribution plan or a Defined Benefit plan. As a general rule, membership in the FRS is compulsory for all employees working in a regularly established position for a state agency, county government, district school board, state university, community college, or a participating city or special district within the State of Florida. For a detailed plan description, see the Seminole County, Florida CAFR for the fiscal year ended September 30, 2017.

Funding Policy

The Sheriff's contributions to the FRS for fiscal years ended September 30, 2015, 2016, and 2017 were approximately \$9,497,559, \$10,560,307, and \$11,364,927, respectively, which were equal to the required contribution for each fiscal year.

Effective July 1, 2011, employees are required to contribute 3% towards the FRS. Employee withholdings for this purpose amounted to \$1,682,874, \$1,848,617, and \$1,906,163 for the fiscal years ended September 30, 2015, 2016, and 2017, respectively, which were equal to the required contribution for each fiscal year.

NOTE 5 - INSURANCE COVERAGE

The Sheriff is exposed to various risks of loss related to torts; thefts of, damage to and destruction of assets; errors and omissions; injuries to employees and inmates; and natural disasters. To mitigate these risks, the Sheriff participates in the Florida Sheriff's Self-Insurance Fund Program, the Sheriff's Automobile Risk Program, and the Florida Sheriff's Workers' Compensation Self-Insurance Fund. The Florida Sheriff's Risk Management Fund LLC administers these programs. These programs are considered public-entity risk pools, which purchase insurance policies on behalf of their members. The pools' members are not obligated for risk associated with such coverage. Coverage under these programs includes general liability, automobiles, watercraft, business property, confiscated/impounded equipment, flash roll money, broad form money and securities, program participant coverage and public employee dishonesty bonds. The Sheriff carries separate insurance policies with commercial carriers for aircraft insurance, statutory in line-of-duty death benefits, and for medical malpractice at the John E. Polk Correctional Facility.

NOTES TO FINANCIAL STATEMENTS

Year Ended September 30, 2017

NOTE 6 - LONG-TERM LIABILITIES

In prior years, the Sheriff entered into capital lease agreements for public safety vehicles. Annual debt service requirements to amortize the capital leases outstanding as of September 30, 2017 are as follows:

Year Ending September 30,	Principal Interest		Total

NOTE 7 - CONTINGENCIES

Various lawsuits and claims arising in the ordinary course of operations are pending against the Sheriff. These primarily relate to motor vehicle accidents. The ultimate effect of such litigation cannot be ascertained at this time. In the opinion of management of the Sheriff, the liabilities that may arise from such action would not result in losses that would materially affect the financial position of the Sheriff or its changes in financial position.

COMPLIANCE SECTION

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Honorable Dennis M. Lemma, Seminole County, Florida Sheriff Sanford, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the Seminole County, Florida Sheriff (the "Sheriff") as of and for the year ended September 30, 2017, and the related notes to the financial statements, which collectively comprise the Sheriff's basic financial statements and have issued our report thereon dated February 23, 2018.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Sheriff's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Sheriff's internal control. Accordingly, we do not express an opinion on the effectiveness of the Sheriff's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

To the Honorable Dennis M. Lemma, Seminole County, Florida Sheriff

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Sheriff's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Pursuant to provisions of Chapter 10.550, *Rules of the Auditor General*, we reported certain matters to management of the Sheriff in a separate management letter and Independent Accountant's Report dated February 23, 2018.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
