

NOTICE

On May 31, 2020 Smart Communications will be discontinuing the issuance of the free video visitations that were being provided throughout the COVID-19 pandemic. Securus will also be discontinuing the issuance of the two free phone calls per week that they were providing.

After May 31, 2020 all video visitations will cost 25 cents per minute and will be offered in 15 minute and 30 minute blocks. Friends and family will continue to sign up for video visitations the same way they currently do. The schedule will remain the same as well. Meaning there will not be any restrictions on the amount of video visitations you are allowed each day. The Securus phone system will revert back to the charging scale that was used prior to the COVID-19 pandemic.

For the safety and security of everyone in the facility, face to face visitation will **NOT** be reinstated. Video visitation will be the only way to have visitation. In order to accommodate indigent inmates, 1 free 15 minute video visitation will be allowed for each inmate in the facility. These free video visits will be issued once per month starting on June 1, 2020, they will not accrue, and will reset every month.
