**NEWS RELEASE****SCSO arrests high school teacher for lewd acts on minor**

Seminole Co. (October 20, 2017) Seminole County Sheriff's Investigators yesterday charged a Seminole County teacher with lewd and lascivious acts on a minor between 12-16 years of age, while she was employed at a local high school.

The investigation started earlier this month when the victim disclosed she and 30-year-old Jaclyn Truman were involved in a sexual relationship last year and had sexual contact multiple times at school.

Investigators conducted a recorded interview with Truman who is cooperating with the investigation. Based on that interview and the victim's statement, Truman was booked in to the John E. Polk Correctional facility on two counts of lewd acts on a minor. Bond is set at \$40,000.

Investigators are looking in to the possibility there are other victims. Anyone with information is asked to call Seminole County Sheriff's Office at 407 665-6650.
