

Sara Barnes and Jodi Hill charged with drug possession - 02/28/2012

Seminole Co. Fla., (02/28/12)-The Seminole County Sheriff's Office this afternoon arrested Sara Barnes and Jodi Hill on drug possession charges. Barnes, 26, was arrested for possession of methamphetamine with intent to sell and possession of drug paraphernalia. Hill, 41, was arrested for possession of methamphetamine and possession of drug paraphernalia.

The two women were charged after investigators working with the Department of Agriculture and Consumer Services found methamphetamine and drug paraphernalia while executing a search warrant on Barnes' residence. The search warrant was in conjunction with Barnes' arrest earlier today for her role in starting the fire that destroyed "The Senator" tree.

Barnes' residence was not believed to be used for manufacturing methamphetamine.
