Seminole Co. Fla., (11/08/12)-The Seminole County Sheriff's Office (SCSO) on Tuesday arrested 32-year-old Michelle Schroeder, of Orlando, for vehicle burglary, theft, criminal mischief, fraud, and identity theft.

On the evening of Sept. 25, a woman visiting a Casselberry park reported her car window had been smashed and her purse and credit cards stolen. She immediately called law enforcement and her credit card companies to report the incident. The SCSO investigation revealed the suspect attempted to use the stolen credit cards nine times on transactions totaling nearly \$3,600 to make purchases at a gas station and retail stores. Store surveillance video assisted investigators in identifying Schroeder as the suspect.
